

## **Appendix 2.**

### **Report of the Uttlesford Association of Local Council (UALC) Representative to Clavering Parish Council Meeting 11<sup>th</sup> November 2024.**

A meeting of the UALC Executive Committee was held on 6<sup>th</sup> November 2024 via Zoom.

After lengthy problems as Barclays Bank had 'frozen' the bank account, the account has been reinstated with the full amount as held available. The Bank Mandate can now be changed and there is an option for the account to move online if needed.

It was agreed to set the rate for the 2024-5 subscription as £5.

All Councils will receive a Subs invoice with the next newsletter, which will include reports from the various bodies the UALC Exec members sit on. This will to be circulated in late November.

The UALC continues to foster it relationship with UDC and is working with UDC to ensure that Forum Topics are relevant to the Councils.

The next Executive Meeting will be in February 2025
