Clavering Parish Council Allotment Representative Report

Cllr Smither and I have been working to establish which plots are tenanted and by whom.

Information held by the Clerk was unfortunately not fully passed over until 4th November.

Invoices to the existing tenants will be issued on 5th November for payment by end December and will cover two years, as invoices were not issued last year.

There are five people interested in plots - four of whom are Clavering residents.
Cllr Smither and I will arrange visits to the allotments with these people to enable them to view the free plots. NB Preference is given to Clavering parishioners.

When the existing tenants have responded to the current invoicing, matters concerning the sale of the water tanks and potential plot clearance will be discussed at the next appropriate council meeting.

Cllr SM Gill 4th November 2026
